

VICTORIA UNIVERSITY  
IN THE UNIVERSITY OF TORONTO

# CHARTER DAY CONVOCATION

Wednesday, October 11, 2023

6:30 p.m.

Isabel Bader Theatre  
Victoria University

The annual Charter Day Convocation of Victoria University commemorates the granting of Victoria's Royal Charter by King William IV in 1836. Since 1895 this Convocation has been the occasion for the presentation of scholarships and other academic awards to students of Victoria College.

Mr. Nick Saul, C.M. Vic 9T0  
Chancellor of Victoria University  
will preside.

Piano, J. Taylor Sullivan Vic 9T2

### TERRITORIAL ACKNOWLEDGEMENT

As we gather together, we acknowledge this sacred land on which Victoria University in the University of Toronto operates. It has been a site of human activity for 15,000 years. This land is the territory of the Huron-Wendat and Petun First Nations, the Seneca, and, the Mississaugas of the Credit. The territory was the subject of the *Dish With One Spoon Wampum Belt Covenant*, an agreement between the Iroquois (Haudenosaunee) Confederacy and Confederacy of the Ojibwe (Anishnawbe) and allied nations to peaceably share and care for the resources around the Great Lakes. Today, the meeting place of Toronto is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work in the community, on this territory.

We are also mindful of broken covenants and the need to strive to make right with all our relations.

*The audience is asked to rise when the Academic Procession enters and remain standing until the platform party has entered.*

**Jill Heinerth**

As one of the world's most respected explorers, cave divers, polar explorers and scientists, Jill Heinerth has discovered and surveyed some of the most remote water-filled cave systems on the planet, illuminating and advancing our understanding of the planet's inner workings. Her contributions to public education about the environment and climate change through her books (bestseller and critically acclaimed *Into the Planet: My Life as a Cave Diver*), television and radio series (CBC, BBC, NPR, A&E, PBS), podcasts, photography and art exhibits, and public speaking engagements inspire awe and have earned her many prestigious awards including being named the Royal Canadian Geographical Society's first Explorer-in-Residence in 2016. She is the inaugural recipient of the Sir Christopher Ondaatje Medal for Exploration, was awarded the Canadian Polar Medal and has been named to the International Scuba Diving Hall of Fame.

*"On the farthest fringe of adventure is a world unseen, a place with the merest hint of light, short breaths of air, abundant danger and one extraordinary woman, Jill Heinerth."*

- Sports Illustrated Women

Ms. Heinerth has been a speaker in Vic One, Victoria College's acclaimed first-year program, her stories leaving attendees in awe. By speaking honestly about risk and fear, she related her personal experiences to the daily lives of Victoria College students and their long-range aspirations, inspiring them to be their calmest, most curious and most disciplined selves.

Ms. Heinerth will be presented by Dr. Wendy M. Cecil, Chancellor Emerita, and hooded by Ms. Cynthia Crysler Vic 9T0, Chair of the Board of Regents, Victoria University.
